## *Verse*

Make up your mind  
Make up your mind  
He said "Some times"  
She said Sometimes...

## *Chorus 1*

Well I don't have time  
For all your shit  
And this great big act  
Well he just looked so confused  
That I laughed and I laughed and I laughed

## *Verse*

Make up your mind  
Make up your mind  
He said "these are some times"  
He said "yeah, some times"

## *Chorus 2*

Baby why do run?  
I said "maybe you're not fast enough"  
What are you after with all of this?  
Well if you've gotta ask  
I guess you don't get it

## *Instrumental*

## *Bridge*

And I told him he could walk  
And I told him he should walk  
And I told him she could walk with me  
Oh oh yeah!

## *Chorus 3*

Baby why do you run?  
I said "Hey, you're just not fast enough"  
What are you after with all of this?  
Well if you've gotta ask  
I guess you don't get it

Yeah I bet you don't get it  
Too bad you don't get
